

My name is Cheryl Kersey, I have been a Carney's Employee working in Clinical Transport since 2006. It is now an exciting time to be working at Carney to witness all the improvements and new construction: the Coplan Center, a new ER entrance, the Diabetes Center and now the construction of a new state of the art Operating Room, and new physicians. It is really very exciting and a great place to work.

This acquisition will bring a much needed boost to our community, will create new jobs and give us employees and our family confidence in our future knowing that our pension is secure as well as our jobs.

We are committed to our core values of Compassion, Accountability, Respect and Excellence, and that is who we are.

Please help us stay the course by approving this deal so we can continue to create jobs in this community and provide the best care to our patients. Thank you
